 F1 PADDLE SHIFT

2016/66. Finished in Rosso Red with Grey/Black interior. 21,000 miles with full service history. Long/New mot supplied. 5 speed Auto Gearbox. 2x keys and service book pack present. Excellent condition for this little pocket rocket! I really enjoy driving these cars as they are so much fun always put a smile on your face. This example is a rare car being a 'competizione' with the MTA auto gearbox and F1 style paddle shift. The car also benefits from having the Sabelt racing seats, Satnav, 5" touchscreen infotainment system, DAB radio, bluetooth, Xenon headlights, rear parking sensors, Carbon Trim and the all important Record Monza Exhaust which sound fantastic.
